Good afternoon Wendy,

The attached contains a link to the running inventory of vehicles we are finding for sale, and currently available. Obviously, our preference is to look for nearby resources first. Can we have a discussion about sending out your mechanics to do some discrete "tire kicking"?

Thank you very much for this Wendy and Crystal.

Peter,

Can we engage Wendy as a part of your team in relation to identifying and procuring the required heavy equipment for the police?

Hi Marlin,

This map is how to search for inspection facilities. I would suggest you loop us in as we have Vehicle Safety Investigators (mechanics) who can help decipher if these vehicles are salvage vehicles, or if they can be inspected and put into service right away. Let us know what you need!
